Commissioner for Patents  
Customer Service Window  
Randolph Building  
401 Dulany Street  
Alexandria, VA 22314

Sir:

Applicant submits herewith two sheets (2) of Replacement Drawings for FIGS. 7 and 8. The replacement drawings have been labeled "Replacement Sheet" in the top margin and an explanation of the changes is provided below as required under 37 CFR 1.121(d).

The replacement drawings are submitted in response to the Notice of Allowability, which accompanied the Notice of Allowance dated April 25, 2005. It is believed the replacement drawings overcome the objections as noted on Pages 10 and 11 of the Notice of Allowability. Namely, changes to explanatory boxes S1, S2 and S3 of Figure 7, and explanatory box S5 of Figure 8, as suggested by the Examiner. No new matter has been added.

Approval of the drawing is respectfully requested. It is not believed that any fees are due for consideration of this paper. If fees are due, the Commissioner is authorized to charge our Deposit Account No. 19-0733.
